ABOUT US

We are passionate about the amazing natural larder that Scotland has to offer and select the freshest produce to bring you a uniquely impressive product: our meat is from the farm next door; salmon is from Loch Roag, in the Isle of Lewis; chilli sauce is by an independent company in Bankfoot; and rapeseed oil comes from a local Scottish supplier.

Our ethos is to use the best locally sourced produce, to provide exciting culinary twists that tell a story from producer to fork.

We recently attained a SALSA (safe and local supplier approval) accreditation, to ensure our procedures are of the highest standard.
